Dear Water User,

Enclosed are several documents that the Department sent to you over the past seven to eight days. Some of the documents have been returned to the Department because of problems associated with the address listed on your water rights. It is important that you update your address with both the Department and the SRBA court. Also enclosed is a change of ownership/address form. You should complete and return the form as soon as possible. It is also possible that you may have already updated your address and the changes have not been updated in our computer system. If this is the case, please disregard the form.

Please also note that one of the enclosed documents is a Pending Notice of Violation regarding your diversion on Alder Creek. Please review this notice and respond immediately to me or the water district watermaster, Doug Rosenkrance.

Respectfully,

Tim Luke
Water Distribution
